The Bridge Centre

WHO ARE WE?

GEO's Bridge Centre is a Community Reintegration Centre that supports you in transitioning back into the community. All support provided is tailored to your specific needs.

We have a highly skilled team of Post-Release Case Workers who are based at The Bridge Centre full-time. If you were engaging with a Clinician or a case-worker from MCM/YMCA whilst at Ravenhall, this can continue at The Bridge Centre post-release.

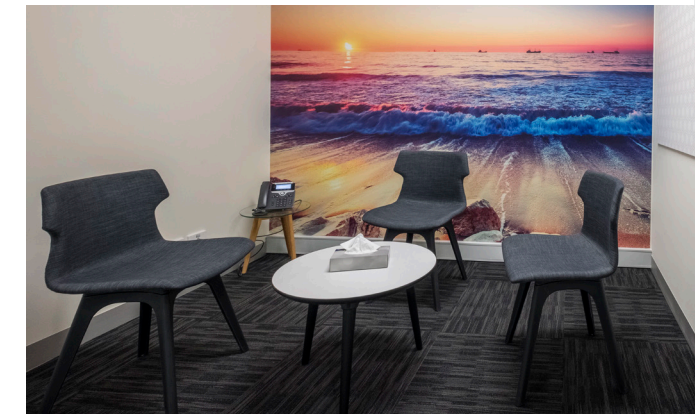

Our Centre is safe, inclusive, welcoming and culturally sensitive. The Bridge Centre can support you and the people that are important in your life such as your children, family members and partners.

HOW CAN WE HELP?

- Case management and advocacy support
- Information on where to obtain basic care needs, e.g. food, clothing, etc.
- Referrals to services including counselling, family agencies, drug and alcohol support, education providers and area mental health
- Information on housing access points
- Assistance obtaining identification
- Support for relapse prevention
- Family information sessions

WHO IS ELIGIBLE FOR SUPPORT FROM THE BRIDGE CENTRE?

The Bridge Centre is accessible for up to two years post-release, even after long periods of non-attendance. Engagement with The Bridge Centre is voluntary. Therefore, clients are not required to be subject to community supervision (i.e. parole or a community based order).
